

Message from the Lay Director

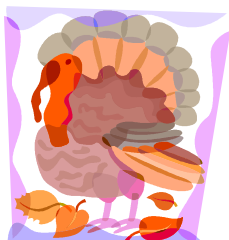

De Colores!

Another successful set of week-ends! We may not turn up the big numbers but we do well with what we have. I heard nothing but positive feed back about both the men's and women's week-ends. Thanks to all who traveled to make the serenades a special part of the week-ends.

Now we are in the beginning stages of planning our first ever co-ed week-end. There will be lots of questions and I'm sure some problems. But with God's help I know we can overcome them and make this a great co-ed experience. I have been hearing some positive interest already, so let's get started and fill the place next spring.

Don't forget the potluck and Ultreya Nov. 13th at First English. It will be the last time the teams come together and there's always plenty of food. It start's at 5:00 with team meetings, potluck at 6:00, and Ultreya at 7:00. Hope to see you there.

Remember,
God Loves You And So Do I
Dennis Griepentrog,
Lay Director

Fix Your Eyes on Jesus

“May he enlighten the eyes of your mind so that you can see what hope his call holds for you”

Ephesians 1:18

What does it mean to be just like Jesus? The world has never known a heart so pure, a character so flawless. His spiritual hearing was so keen he never missed a heavenly whisper. His mercy so abundant he never missed a chance to forgive. No lie left his lips, no distraction marred his vision. He touched when others recoiled. He endured when others quit. Jesus is the ultimate model for every person....God urges you to fix your eyes upon Jesus. Heaven invites you to set the lens of your heart on the heart of the Savior and make him the object of your life.
